

MARKET DATA LICENSE FEE WAIVER
PROGRAM

APPLICATION

Subscribers reported by a Market Data Licensed Firm may be eligible for the License Fee Waiver Program, provided such subscribers meet the following criteria:

- **Delta1 Access:** Subscriber can enter orders and/or report trades to OneChicago Delta1 from the user interface by which they view OneChicago Market Data.

Subscribers reported as unit of count by a Market Data Licensed Distributor or ISV Distributor under the License Fee Waiver Program are assessed a \$0 fee. Market Data Licensed Distributors are required to complete this License Fee Waiver Application. OneChicago reserves the right to modify the above criteria and/or eliminate the License Fee Waiver Program at any time, but effective upon no less than a thirty (30) days' notice. Such notice will be sent by e-mail and posted on the OneChicago website.
